Please check that you have the above items and that they still fit. Girls that have just gone into this class please contact Suzanne as we will be able to swap your original costumes for most of what you need.

Back to class Saturday April 18th –Please be outside the hall (as before) at 11.40am Class finish at 1.20pm
Then April 25th May 1st 8th 15th

May 8th will be a bring all costumes to the hall day (To be confirmed)

May 22nd at present Young Seniors theatre slot is (arrive at the front of theatre for 1pm leave at 4.30pm via front of theatre- we are having to run the day strictly to abide with theatre covid rules so using 2 different entrances and dressing rooms, and also only run two classes at a time from opposite sides of the stage .)

Whatever happens we hope it will be a fun day for the girls and we will get enough content to put together a film for you all. It will never replace what we lost on 2020 but new memories will be made and a few little fun things are being thrown in. We won't have our usual lighting which is hired in for our usual weeks show so with basic lights and sound, limited costumes, the lack of rehearsal time but an amazing volunteer crew onboard, we are very much going to wing it!

We must also thank Hampton theatre who are opening their doors for us (all covid regulated) at a fraction of the normal hire charge. We promise of course to treat the theatre with the utmost respect as we want to return again next year for Show 2022!
